AND MUNICIPAL FINANCE  
OFFICERS ASSOCIATION

## MESSAGE FROM THE SELECTMEN

On behalf of the town we wish to express appreciation for the long and dedicated service of several town officials. Particular thanks are due to Police Chief Wilfred H. Marshall who completed a full quarter century of duty as Chief, at the end of 1972. He had served ten additional years as a police officer, making a total of 35 years of continuous service to Dunbarton. Also Arthur Powell completed 15 years as moderator with his retirement after the 1972 election. Octave Dulude rounded out 15 years as planning board member when he retired early in 1973, having served since the founding of the planning board.

Road projects during the year included major reconstruction of the north end of the Gorham Pond Road as a TRA project. The dangerous curve at the top of the hill was minimized according to the careful engineering design prepared by the State Highway Dept. This significant safety step was enabled by court action on the injunction.

Maintenance problems on the Allard road were reduced by surfacing of this short road that was accepted by the town some years ago. Severe drainage problems at the intersections of this road with Route 13 were solved by arrangement to have the State Highway Dept. excavate and pave the gutters with the town replacing the culvert pipe.

The bulk of effort with the Duncan Fund (a state maintenance allotment for class V roads) was to start improving the curve on the hill north of the Dunn House on Grapevine Road. The trees have been cut and it is planned to go forward with this project in 1973.

With the receipt of the deed to the old Center School, some important accommodations have been provided. The lower town hall is available for regular community use. The Center School has become the town office building with the selectmen's office in the west room and the library planning to move into the east room. Since early fall the Dunbarton Co-operative Kindergarten has met regularly in an attractively redecorated center room. As voted last year the kindergarten will be paying an appropriate share of the overhead as soon as sufficient operating cost data becomes available.

The increasing work load on our office has made it necessary to hire a part time secretary. We are fortunate that Mrs. Muriel Lively took on this assignment last summer. In our opinion, it would be advisable to have the assistance of a part-time bookkeeper as well.

We have been concerned at not finding the time to give adequate attention to all departments. In particular, the Cemeteries need ongoing attention. To this end we are recommending the creation of Cemetery Trustees. The sextons would be responsible to this three member board.

Federal revenue sharing will permit the town to make some modest increases in activities without extra cost to the taxpayers. The sum, whose recommended allocation is included in the Warrant, represents Dunbarton's entitlement for all of 1972 and the estimated half of 1973.

The Town is indebted to the Dunbarton Woman's Club for leading a drive to restore the health of the trees on the Town Common. Using a substantial amount of their own funds, the Club got the support of other groups to raise a total of \$300 for fertilizing the beautiful maples. It is hoped that the Town will vote to continue restoring the Common and its trees.

Dunbarton was honored to win first prize in the New England Municipal Report contest for towns between 500 and 1000 population. The award (shown elsewhere in this report) was for our 1970 report. The Town has just been awarded first prize for our class in the 1971 New Hampshire report contest as well.

Finally, we wish to thank former selectman Archie Gourley for his aid in preparing the fiscal portion of this report.

J. Willcox Brown  
Walter J. Smith, Jr.  
Paul L. Morin

## RECORD OF ANNUAL TOWN MEETING

Dunbarton, N.H. March 7, 1972

Meeting called to order by the Moderator, Arthur Powell, at ten o'clock in the forenoon. Check list was posted and the Polls declared open.

Meeting again called to order at seven o'clock in the evening - Warrant was read by the Moderator.

Moderator's Ruling - Articles must be read and acted upon in the order they are printed in the Town Report - No article may be passed over.

Article 1 - The following were named to office in open meeting:

Town Forest Committee - Robert Baker

Fire Hose & Water Holes	273.50
Planning & Zoning	47.81
Dog Damage	300.00
Civil Defense	500.00
Subsidy for Concord Hospital	188.00

Vital Statistics	15.00
Home Nursing Service	1,250.00
Town Dump	2,100.00
Tarring Class V Roads & Construction	9,779.35
Town Highway Maint. - Summer	3,500.00
Town Highway Maint. - Winter	10,000.00
Street Lighting	250.00
General Highway Expense	1,800.00
Library	1,000.00
Town Poor	500.00
Old Age Assistance	1,500.00
Memorial Day	40.00
Aid to Soldiers	500.00
Parks & Playgrounds	100.00
Cemeteries	800.00
Interest on Temp. Loans	200.00
Amendment by Archie Gourley-	
Increase Town Hall & Other Bldgs.	200.00
Increase Town Dump	200.00
Amendment by Irene Thalheimer -	
Increase Town Library	200.00
Passed by Majority Vote	
	\$54,113.66

Article 3 - On motion of Walter Smith it was voted to appropriate the sum of \$35.00 as the interest due on the Fire Truck note, and accept a like amount from the Fire Department.

Article 4 - The sum of \$2,000.00 was raised and appropriated for New Highway Construction on motion by J. Willcox Brown.

Article 5 - Archie Gourley's motion to raise and appropriate \$879.67 to match the sum of \$5,864.47 contributed by the State for use on Class V Roads passed the Assembly.

Article 6 - To meet the final Fire Truck Note payment of \$1,000.00, a motion was placed by Walter Smith to raise and appropriate the same. This met approval of the House.

Article 7 - It was voted to raise and appropriate \$1,000.00 for Town

Equipment on motion of J. Willcox Brown - this to be placed in the Capital Reserve Fund for the same.

Article 8 - Legal Expenses for the Town of Dunbarton were met in the amount of \$2,400.00 on passage of motion by Archie Gourley to raise and appropriate the same.

Article 9 - It was moved by Walter Smith and passed by the Assembly to raise and appropriate the sum of \$4,000.00 as an installment on the cost of mapping and reappraisal of property. Any balance at the end of the year to be held over to future years.

Article 10 - \$617.22, interest from the Winslow Town Forest Fund, on motion of Robert Baker, is to be withdrawn and used as determined by the Town Forest Committee. This article passed.

Article 11 - The Town joined the Central New Hampshire Regional Planning Commission and contributed \$593.00 as its share for studies and operation of same on motion of J. Willcox Brown. This sum was appropriated.

Article 12 - "I move that the Town authorize the Moderator to appoint a special unpaid advisory committee of three persons to be known as the Regional Refuse Disposal Planning Committee to work with the Central New Hampshire Regional Planning Commission to make recommendations to Town Meeting for upgrading the Town Dump to meet State Standards and to comply with the standards set by the New Hampshire Air Pollution Control Commission, Regulation #2, which sets termination dates for open burning. This motion by Archie Gourley was successful.

Article 13 - \$700.00 was raised and appropriated to purchase a Police Cruiser, a 1967 Ford Sedan, on motion by Richard Hammond.

Article 14 - Charles Hayek's motion "to have the Town withdraw a sum of money, not to exceed \$3,000.00, from the Capital Reserve Fund for Town Equipment for the purpose of equipping a Tank Truck for the Dunbarton Fire Department - any unexpended portion to be returned to the Capital Reserve Fund for Town Equipment" was approved and so voted.

Article 15 - An application having been submitted to the Ford Foundation for a program to study the Town's natural and scenic resources and methods of protecting these resources, \$1,000.00 was raised and appropriated making Dunbarton eligible to receive

\$1,875.00 from the Foundation. If the application is not approved this money would be added to the Conservation Commission's Land Acquisition Fund. Motion presented by Jane Grant.

Article 16 - It was voted to amend Article #19 of the 1971 Town Meeting to read as follows: - To name the Old Fire Station the Dunbarton Youth Center and authorize the Youth Fellowship, an organization of the Dunbarton Congregational Church, with the approval of its adult advisory board and the Church, to establish the policy, determine the program operate and maintain the Youth Center as a recreation center for the youth of Dunbarton. Introduced by Richard Antonia.

Article 17 - This article defeated - 28 for and 70 against. Fredolph Blomquist.

Article 18 - The Town accepted from the Dunbarton School District all its right title and interest in the Center School, pursuant to action taken under Article #5 at the 1972 School District Meeting, the Selectmen to allocate uses in the building, upon recommendation of the Planning Board, and to execute rental contracts with appropriate charges. Motion by Walter Smith. Amendment by Fredolph Blomquist - to add the Words AND FINANCE COMMITTEE after planning board - was defeated.

Article 19 - After motion by J. Willcox Brown, the Selectmen were authorized to negotiate a revised contract with the Dunbarton School District to provide water service to the new school building.

Article 20 - Water Rental was increased to \$6.00 per month for each dwelling unit, payable quarterly, and new contracts are to be negotiated with private parties using Town Water on motion by Archie Gourley.

Article 21 - The Selectmen were authorized to accept, on behalf of the Town, any and all funds granted for Town purposes by the State and/or Federal Government and to expend the same for the purposes for which they are granted, after motion was placed by Walter Smith and passed by the House.

Article 22 - Upon passage of motion presented by Jane Grant, the Selectmen were granted authority to dispose of any property acquired through Tax Collector's Deeds, provided that such disposal be made by sealed bid or auction procedure and only be made after review by the Planning Board and the Conservation Commission as to the possible public use of such properties.

Article 23 - The Town granted the Tax Collector a one-half of one percent commission on all taxes collected, less discounts and abatements on motion of Archie Gourley.

Article 24 - No discount on prompt payment of Tax Bills was allowed in 1972 after motion was placed by Walter Smith.

Article 25 - Harold Mooney's motion not to petition for a State Audit passed.

Article 26 - The Body authorized the Selectmen to borrow money in anticipation of taxes on J. Willcox Brown's motion.

Article 27 - The House passed a motion by Archie Gourley to accept all Trust Funds not heretofore accepted, including those of Wilmot Chamberlin, Peter Montgomery and Joseph & Helen Debski.

Article 28 - Reports of Agents, Auditors, Committees and other Officers were accepted subject to printers' errors and omissions on motion by J. Willcox Brown.

Article 29 - Motion by Jeanette Perron - that the Assembly vote to have the Town Clerk send a formal letter of appreciation to Mrs. Arthur Story for her public spirited action in giving to the Town, and to the cause of conservation, easements on forty-five acres of Story Land.

RECORD OF SPECIAL TOWN MEETING  
DUNBARTON, N.H.  
June 7, 1972

Meeting called to order by Arthur Powell, Moderator, at seven thirty-five in the afternoon - Warrant read

Article #1. Selectman Brown moved "In order to protect and promote the health, safety, welfare and esthetic value of the community, the Town enact a by-law requiring that any structure, with the exception of single family residences and agricultural barns and silos, be restricted to a maximum height above ground level of not more than two and one-half (2 1/2) stories or not more than twenty-five (25) feet. This by-law shall be enforced by the Selectmen. Any violation shall be subject to a fine of \$20 for each day of violation." Passed unanimously.

Article #2. Selectman Smith moved "In order to assure public safety and effective town highway operation, the Town enact a by-law requiring that before any driveway be constructed or reconstructed connecting with any road within town jurisdiction, a permit be secured from the Selectmen. Any violation shall be subject to a fine of \$20 for each day of violation." Passed.

Article #3. Ernest Holm moved "the Town enact a by-law making it the duty of the Fire Chief to inspect, or cause to be inspected by such officers or members of the Fire Department as he shall designate, as often as he shall deem necessary, all buildings, premises and public and private ways, excluding dwellings oc-

cupied by not more than three families, and cause to be corrected any conditions liable to cause fires, or any violations of the provisions of this article, in order to provide conditions that health, safety, comfort and welfare of persons and property in the Town may require; any person failing to comply with an order of the Fire Chief pursuant to this article shall be fined not more than twenty dollars for each offense, and each twenty-four hours of maintenance of prohibited conditions shall constitute a separate offense." Passed.

Selectman Smith called everyone's attention to the fact that all old cars would be collected, at no charge, from owner's property, pointing out that by state law no person could have more than one unregistered vehicle on his property.

Harold Mooney suggested that all residents or property owners in Dunbarton be furnished with a sticker to be displayed on their car, thus enabling them access to the Town Dump.

Meeting was adjourned at eight thirty in the afternoon.

# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF DUNBARTON IN THE COUNTY OF MERRIMACK IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town Hall in said Dunbarton on Tuesday, the sixth day of March, next at two of the clock in the afternoon, and cast ballots from that hour until at least seven o'clock in the evening of said day for such Town Officers and School Officers as they may be listed on the ballots, and also to cast ballots on the question of adoption of the building ordinance as proposed by the planning board.

You are also notified to meet at the same place at seven o'clock in the evening of the same day, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same, in amounts as follows:

Town Officers' Salaries	\$ 5,800.00
Town Officers' Expenses	4,500.00
Election and Registration	300.00
Town Hall & Other Buildings	3,400.00
Damages and Legal Fees	2,000.00
Regional Associations	534.00
Police Department	4,500.00
Fire Department	3,600.00
Fire Hose & Water Holes	125.50
Planning & Zoning	125.71
Dog Damage	300.00
Civil Defense	500.00
Subsidy for Concord Hospital	135.00
Vital Statistics	15.00
Home Nursing Service	1,250.00
Town Dump	2,500.00
Tarring Class V roads & construction*	10,784.27
Town Highway Maintenance - Summer	3,500.00
Town Highway Maintenance - Winter	10,000.00

Street Lighting	250.00
General Highway Expenses	2,000.00
Libraries	1,500.00
Town Poor (including Aid to Soldiers)	1,000.00
Old Age Assistance	1,500.00
Memorial Day	25.00
Cemeteries	1,000.00
Interest on Temporary Loans	200.00

Total 61,344.48

\*Being the net amount received in the year 1972 from Auto Permits, after deducting Town Clerk's Fees.

3. To see if the town will vote to raise and appropriate the following sums for capital expenses:

Town Highway Construction	2,000.00
Office Equipment	1,000.00
Payment to Capital Reserve for Town Equipment	2,000.00

4. To see if the town will vote to raise and appropriate the sum of \$870.59 for Class V roads to match a sum of \$5,803.91 to be contributed by the State.

5. To see if the town will vote to raise and appropriate the sum of \$1,000 for the Conservation Commission, to be allocated as follows: \$125 to complete the matching funds to meet the requirements of the Ford grant, \$100 for the operating expenses of the Commission and the balance for the land acquisition fund. Any unexpended balance shall be carried over to future years.

6. To see if the town will vote to authorize the Dunbarton Fire Department to act under the 1955 N.H. Revised Statutes Annotated 154.24, "Aid Outside District," providing for participation in mutual aid activities.

7. To see if the town will vote to authorize the Dunbarton Fire Department to participate in the Capital Area Compact Dispatching Service and to raise and appropriate the sum of \$1,221.28 for such participation.

8. To see if the town will vote to raise and appropriate the sum of \$1,989.00 for the purchase of F.M. radio equipment to improve and ensure adequate communications between fire apparatus and the station, with \$1,000.00 to be donated by the Fire Department in addition to this sum.

9. To see if the town will vote to raise and appropriate the sum of \$400 for twenty-four hour call and dispatch service from the County Sheriff's Office for the town Police Department.

10. To see if the town will vote to authorize the Regional Refuse Disposal Planning Committee, in conjunction with other towns represented on the Regional Refuse Disposal Planning Board, to work out a detailed proposal to resolve the Town's Solid Waste Management problems, and vote to raise and appropriate \$247.00 at a rate of 30¢ per capita as the Town's share of costs of the Board.

11. To see if the town will vote to appropriate the sum of \$1,350.00 for painting and renovating the new quarters for the Library and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

12. To see if the town will vote to appropriate the sum of \$402.86 from the town's Revenue Sharing Fund to support the services of the Belknap-Merrimack Community Action Program, Inc. (This request for financial support is based on a formula that takes into consideration the amount of money received by the town under Revenue Sharing as compared to the total amount of Revenue Sharing money received by all of the towns in Belknap and Merrimack Counties.)

13. To see if the town will vote to appropriate the sum of \$8,000.00 for Mapping and Property Reappraisal and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund, or take any other action hereon.

14. To see if the town will vote to raise and appropriate the sum of \$500.00 for the purpose of putting fresh loam and grass seed on the town common. Especially covering the maple tree roots. Also taking care of bare spots, caused by constant use, when the Town Hall was used for a school. (Petition article)

15. To see if the town will vote to withdraw the sum of \$200.00 from the trust fund of the Dunbarton Tree Association, this sum to be used for the treatment, preservation and replacement of the trees on the town common.

16. To see if the town will vote to withdraw the interest of \$622.10 from the Winslow Town Forest Fund, the same to be used as determined by the Town Forest Committee.

17. To see if the town of Dunbarton will give the Senior Citizens the use of the Town Hall, rent free, for a minimum of once a month for the coming year. (Petition article)

18. To see if the town will authorize the Selectmen to appoint three cemetery trustees, to oversee the upkeep and preservation of the town cemeteries, for three year terms with initial appointments for one, two and three years.

19. To see if the town will vote to authorize the Selectmen to allocate usage of the town buildings for the various town committees and boards, until revoked at a subsequent town meeting.

20. To see if the town will vote to authorize the Selectmen to accept, on behalf of the town, any or all funds granted for town purposes by the State and/or the Federal government and to expend the same for the purposes for which they are granted.

21. To see if the town will grant the Selectmen authority to dispose of any property acquired through Tax Collector's Deeds.

22. To see if the town will vote a fixed rate of remuneration to be paid the Tax Collector for the collection of taxes.

23. To see if the town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting.

24. To see if the town will authorize the Selectmen to borrow money in anticipation of taxes.

25. To see if the town will vote to accept all trust funds not heretofore accepted.

26. To hear the reports of Agents, Auditors, Committees, and other Officers heretofore chosen and pass any vote relating thereto.

27. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and seventy-three.

## REPORT OF TRUSTEES OF DUNBARTON FREE

### PUBLIC LIBRARY

The trustees report another busy and productive year of service to the people of Dunbarton. Regular meetings of the board have been held on the first Monday of every month and additional ones as required.

Activities included a story hour for preschoolers with Mrs. Jacqueline Letourneau continuing in charge and assisted by Mrs. Jody Warburton, Mrs. Dorothy Perry, Mrs. Sue Koerber, Mrs. Claire Hammond, and Mrs. Jan Zeller. This service was discontinued when the new cooperative kindergarten was opened but can be resumed on request by enough interested parents.

In February Mrs. Jacqueline Letourneau resigned as librarian and Mrs. Julia Blanchard took over the position in March.

A summer reading program with seventeen children participating closed in late August with a party of films and refreshments.

The P.T.A. sponsored school reading program was discontinued in September. At a meeting of the trustees with the school principal it was Mr. Zeller's opinion, with the better library resources at the new school together with the problem of getting the pupils to and from the library, that this was a good decision.

There has been a concerted effort to purchase many requested current books and the bookmobile continues to supplement the list. Sixty-six Boy Scout Merit Badge books were added to the permanent collection. Many gift books were gratefully received. Outstanding donors were Mr. Charles Mrs. Emile Belanger and Mrs. George Dodds.

A memorial gift of the "Better Homes and Gardens" book on flower arranging was received from the Book Club in memory of Mrs. Lillian Earle. Mrs. Natale Brown has given an easy chair for the new library in memory of Mrs. Muriel Sowle.

The trustees express their sorrow at the death of Mrs. Muriel Sowle and gratefully remember her years of loyal service as librarian.

At the writing of this report the Charles A. Little legacy is in the last stages of settlement. A proper accounting will be made to the town at a later date.

Jeannette Perron  
Alice Blomquist  
Irene Thalheimer

Term expires 1973  
Term expires 1974  
Term expires 1975

## REPORT OF THE DUNBARTON POLICE DEPARTMENT

1972

The Dunbarton Police Department submits the following report for the year of 1972:

The Police Department has not been required to work as many hours in 1972 as in the previous year. This is largely due to having had less trouble in the North Bow area than in the year of 1971. Acts of vandalism, too, have declined considerably during the past year.

Our radar unit has been in use approximately the same amount of time as last year and the results seem very gratifying. It appears that the excessive speed registered by radar has declined to a great extent. Hopefully this trend will continue in the future.

Compared with surrounding towns, Dunbarton has been fortunate in the area of housebreaks. Due to the fact that all the neighboring towns work together in an effort to apprehend the criminals, some of the stolen property has been recovered.

This year fewer accidents have been reported to the local police. Some have been handled by the State Police, and the Department appreciates the assistance it has received from them and from surrounding towns.

Residents of the town have been requested to notify the police if they are leaving town for an extended time, such as vacations. We are pleased to state that we have received many more calls than in past years regarding this practice, and have made periodic checks as requested. It is hoped that residents will continue to make these requests for house checks.

The number of hours spent in police activities during the year are listed below:

Investigation	183 hrs.
Patrol	241
Radar	71
Dog complaints	18
Accidents	36
Family trouble	10
Court	12
Stakeouts	5
Traffic	9
Miscellaneous	145

Total hours for 1972 730

Miles covered by Town Cruisers 4583

Serving in the Department during the past year were:

Deputy Chief Donald Terrill	North Dunbarton
Regular Officer Michel Belanger	North Dunbarton
Reserve Officers:	
Simon Audet	East Dunbarton
Maurice Bartlett	South Dunbarton
Richard Mathieu	North Bow Road
Robert Marshall	Main Road
Peter Montgomery	Main Road
Robert Carlson	Lake Gorham
William Scavone	Lake Gorham
Dean Smith	Lake Gorham

Hereafter Deputy Chief Donald Terrill will serve as Chief of Police in Dunbarton. He has been a very efficient and capable Officer, and I am confident that the townspeople will give him the splendid cooperation which they have given me during my years as Chief.

In closing I wish to thank all the Officers for their assistance during the year.

Dunbarton Police Department

Wilfred H. Marshall  
Chief

# Dunbarton Volunteer Fire Department.

Your Fire Department had a good year, with less fires than in 1971. The firemen were busy making the water tanker and it is now in service. Some men received training certificates from Fitzwilliam and Gilford Fire Schools.

We have had an extensive training program every Wednesday night. We are trying each year to increase our knowledge in fire fighting.

You are aware of the increase in new homes added to the community. Your fire department must grow too!

A Mutual Aid system has been formed in the Capital Area. We have been asked to join this system. This is the only means of binding towns closer together for fire fighting purposes. We feel that we should join this Mutual Aid set-up. This decision is yours.

We also feel it is the time to improve our communication from you to the fire department, with a 24 hour dispatching service. We have 14 monitor radios in use now. It has been proven that radio monitors are more effective and quicker in enabling response to fire calls, than telephones. This decision is also yours.

## (FIRE DEPARTMENT)

As a reminder from your Fire Chief, are you prepared for a fire emergency in your home? Make sure each person in the household knows two ways out of every room, especially the bedrooms. And be sure they understand that the first rule in case of fire is to get everybody out of the house -- fast! Make and rehearse a home fire escape plan. Your Fire Chief urges you to buy a fire extinguisher for your home, know how to use it, and be sure that it is fire underwriter approved.

Sincerely yours,  
Fire Chief Edward Ballam

## REPORT OF THE REGIONAL REFUSE DISPOSAL PLANNING COMMITTEE

The Advisory Committee authorized at the last Town Meeting and appointed by the Moderator has met with the Central N.H. Regional Planning Commission through the summer and fall, reviewed technical studies on various means of waste disposal; reviewed State air pollution control requirements; and evaluated alternate plans to help Dunbarton upgrade our solid waste disposal practices.

We have concluded that:

A. Our present dump operation must be upgraded to meet State requirements by July 1, 1975;

B. that a sanitary landfill procedure offers the best method of disposal of least cost for the foreseeable future; that the number of potential sites, however, is limited and require detailed analysis and community discussion before they can be recommended as acceptable;

C. that there appears to be significant savings if towns can work toward a joint solution, but that exact costs cannot be determined until further studies are completed;

D. that there is significant interest in at least eleven other municipalities in working toward joint resolution of the problem. This is evidenced by the agreement and action of the towns to form a Regional Refuse Disposal Planning Board as provided under State law.

It is recommended that the Town take the following action at the 1973 Town Meeting:

1. Direct the Committee in conjunction with other towns represented on the Regional Refuse Disposal Planning Board to -

A. work out a detailed proposal to resolve the Town's solid waste management problems or to report why such a joint action is not advisable, and

B. undertake such analysis, negotiations, and determination of costs for initial and continuing operations, and to draft the proper legal documents and organization procedures necessary to implement the proposed solution and to present these to the Selectmen for action at a Town Meeting.

2. Appropriate (\$247.00 at a rate of thirty cents per capita as the Town's share of costs of the Regional Refuse Disposal Planning Board to undertake its work, conditional upon the terms set forth in the Board's proposed bylaws.

Respectfully submitted,

John Gravas  
John Swindlehurst  
J. Willcox Brown

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

STATE	- 410 fires	361 acres burned
DISTRICT	- 90 fires	135 1/2 acres
TOWN	- 4 fires	7 1/2 acres

Robert J. Burton  
DISTRICT CHIEF

D. B. Montgomery  
FOREST FIRE WARDEN

# ANNUAL REPORT OF THE DUNBARTON PLANNING BOARD

FOR 1972

The reporting period for this report is January 1st through December 31st 1972.

Twenty-five meetings were held during the reporting period, twelve of which were the regular monthly meetings held on the 3rd Wednesday of each month in the Town Hall @ 7:30 P.M. Some of these meetings were combined with Public Hearings pertaining to Sub-Division. The remainder of the meetings included work on a Building Code which was originated shortly after the Town Meeting in March, and consideration of fifteen Sub-Divisions as well as a formal joint meeting with the Dunbarton Zoning Board of Adjustment.

The original Building Code was prepared by the Central New Hampshire Regional Planning Commission under the guidance of Dave Rogers, based on proposals by the Dunbarton Planning Board. Without the help of Mr. Rogers' office this would have been a nearly impossible task.

On August 6, 1972 a meeting was held under the sponsorship of the Planning Board including Mr. Rogers, John Gravas - former Board Chairman, Randy Raymond - former Board Chairman, the Building Inspector, and the former Building Inspector. The Police Chief, Fire Chief, former Fire Chief, Chairman of the Town Forest Committee, Former Selectmen, Chairman and Clerk of the Zoning Board, Zoning Board members, Conservation Commission Chairman, Town Clerk, Town Health Officer, our three Selectmen and two interested citizens were present. At this meeting the preliminary copy of the Ordinance was thoroughly discussed and modified in preparation for presentation at the first Public Hearing which was held November 15, 1972. The document was reworked after this hearing and presented again at a second Public Hearing on Dec. 6, 1972. After this hearing, additional changes were made and the document was finalized in preparation for public acceptance or denial, as determined by voting, on the issue at a Special Town Meeting to be held on January 3, 1973.

Of the fifteen Sub-Division applications twelve were granted, three were modified before being granted, one was denied, and two are still under consideration. Two Sub-Dividers of substantial tracts of land have been notified that consideration of further Sub-Division will not be accepted without full disclosure of plans for the entire tract.

Resulting from strong public opposition to apartment-type development through Sub-Division, the Board recommended to the Selectmen that a special Town Meeting be held early in June to eliminate any possibility of habitable structures being erected to heights in excess of 2 1/2 stories and to insure that driveway permits be issued to protect both the land owner and the user of the public way.

During this reporting period, members of the Board have made field trips to the various tracts set up for Sub-Division to insure that all information provided was correct and that the area was not obviously unsuitable for Sub-Division. Of the two Sub-Dividers still under consideration, one is a proposal by Frank and Zelda Gelinas to Sub-Divide a tract at the lower end of Gorham Pond. The second pertains to a Sub-Division which was approved by the State of New Hampshire prior to the adoption of Sub-Division rules by the Town. Recent changes in the Sub-Division, requested by Mr. Allard from the State of New Hampshire, automatically gave jurisdiction to the local Planning Board. In both cases the Planning Board is awaiting further information from the Sub-Dividers.

During 1972 three new members have joined the Board; two as a result of resignations, and one as a result of the untimely death of our esteemed Secretary Mary Bruzga. Charles Hayek succeeded Randy Raymond, whose term expired in 1972. Muriel Lively was named for the balance of Mary Bruzga's term and Arlene Bailey joined the Board in October to replace Simon Audet.

In December a Joint Meeting was held with the Zoning Board of Adjustment. This was an open hearing with ten townspeople present. This pertained to a request from the Goffstown Country Club to continue the sale of John Deere Equipment. The Planning Board advised the Zoning Board that it had no objection to a special exception being granted for the sale of John Deere Equipment in the immediate area of the Club House and the Parking lot. The Board based its decision on evidence that the Country Club had been operating as a commercial enterprise prior to the adoption of the Zoning Ordinance and was therefore, a "Non-Conforming" use.

The Planning Board recommends that continuance of our association and membership with the Central New Hampshire Regional Planning Commission be maintained. This organization has been of great help to the Board, and the need of their assistance becomes more evident as time goes by. Although no serious mass development has occurred in Dunbarton to this date its approach is well heralded in the towns to the South and adjacent to the Inter-State Highways.

The Planning Board has respectfully requested the Selectmen for allocation of permanent office space to be shared with the other related Boards and Committees, if they so desire, in order that permanent files can be maintained along with working space and a place to hang the various maps required for many of the decisions pertaining to Town Planning and Protection.

One of the more serious problems to be faced by the Planning Board is maintenance of adequate communication with the townspeople. Since Dunbarton has no one paper of general circulation, the Board will make announcement of all of its Public Hearings in at least two papers of local circulation. In the Manchester Union Leader, The Goffstown News or the Concord Monitor these notices will be Legal Notices. The Board wishes to emphasize that it is most urgent that the townspeople attend the Public Hearings to understand the mounting level of problems and assist the Board in their solution.

Respectfully submitted,

Richard Hammond, Chairman	1977
Charles Hayek, Jr., Co-Chairman	1978
Arlene Bailey, Secretary	1973
Octave Dulude	1976
Maynard Hill, Jr.	1974
Muriel Lively	1975
Walter J. Smith, Jr., ex officio	

## ZONING BOARD OF ADJUSTMENT

The Board is scheduled to meet on the 2nd Monday of each month and met as business required. The following cases were heard:

### Variances

Miss Phyllis Spencer - approved request for a Variance in order to build on a lot of less than the required 40,000 square feet.

### Special Exceptions

William J. Donahue, Goffstown Country Club - granted permission to sell lawn and garden equipment and snowmobiles, with certain restrictions.

### Appeal From Administrative Decision

John Swindlehurst, Dunbarton Fuel Service -

Board advised Selectmen that Building Inspector should issue building permit for proposed relocation of oil tanks. Project approved with certain restrictions.

The Board of Adjustment has adopted the policy of holding joint Public Hearings with the Planning Board, for the purpose of expediency in cases involving Special Exceptions.

In considering an appeal, the Board must act on the evidence before it and make its decision. In making its decision, the Board often stipulates certain restrictions, which the appellant must adhere to. In any case involving a conflict of interest with a Board member, the Alternate member sits with the Board of Adjustment. The member with the conflict of interest is excluded from all deliberations and the vote on the decision. The Board of Adjustment must act within the limits set by the Dunbarton Zoning Ordinance and enforcement of its decision rests with the Selectmen.

During the year, Mrs. Sandra Cote moved from Dunbarton and her position as a second alternate has not yet been filled by the Selectmen.

Respectfully submitted,

John Thalheimer, Chairman (3 years)  
Louis Faustini, Vice-Chairman (2 years)  
Harlan Noyes, Clerk (1 year)  
Priscilla Greenhalge (5 years)  
Douglas Terry (4 years)  
Harry Blaney - Alternate

## Visiting Nurse Association

1 Thompson St. - Concord, N. H.  
Telephone 224-7459

Services rendered October 1, 1971 to September 30, 1972, (Agency's Fiscal Year)

Number of Patients Carried	12
Visits Made	103
Clinics	3

Immunization Clinics were held in cooperation with the school nurse. Dr. R. King Warburton assisted in these clinics.

Payment received from Town of Dunbarton - January 1973	\$1,019.70
--	------------

The Visiting Nurse Association of Concord continued to service Dunbarton for the third consecutive year. They have provided skilled nursing care to anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressings, and do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurses visits.

Special services such as Physical Therapy, Occupational Therapy and Nutrition guidance have been given by the special staff and consultants in order to assist with the rehabilitation of those handicapped by arthritis, heart trouble, diabetes, cancer, stroke, and accidents.

When family members are unable to supply all the needed care, a staff of Home Health Aides are available to give physical care, do light housekeeping and assist with meal planning and preparation.

The nurses are delighted to advise new and expectant mothers in the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition and sickness and accident prevention.

Anyone in Dunbarton may request these services --- doctor,

family, pastors, friend or patient himself. Patients are also referred by Clinics and other agencies. All calls are answered, but continuing care can be provided only under a doctor's order.

A call to the Visiting Nurse Association of Concord (224-7459) between the hours of 8 a.m. and 4:00 p.m. is all that is necessary to start service or make inquiries. Saturday, Sunday, and Holiday calls are only made when there is serious illness. Fees may be scaled to those unable to pay the entire amount.

Mrs. John Swindlehurst is the Board Director from the Dunbarton area. She attends monthly board meetings and assists in the clinics as well as board committee participation.

## CIVIL DEFENSE

Lives are saved if people are prepared for any emergency; know what action to take when one occurs. Emergency information booklets were sent to each home owner in 1972. We hope everyone read it! Your Civil Defense Director urges at least one person in each household take a first aid course. Know who to call in an emergency. List important numbers in your telephone book.

FIRE	774-3991
LOCAL POLICE	774-3900
	or 774-3607
STATE POLICE	271-3181
AMBULANCE - HOPKINTON	1-746-3355
	or 1-746-4211
VISITING NURSE ASSOCIATION	224-7459
POISON CENTER	1-643-4000

Train all of the family how to DIAL "O" for operator assistance, even in the dark, and what to say.

Don't panic.

Sincerely yours,

Edward Ballam  
Director, Dunbarton Civil Defense

# REPORT OF THE CONSERVATION COMMISSION

1972

Last May the Conservation Commission received the approval of the Ford Foundation for its proposal to study and plan for the protection of the town's natural and scenic resources. The action of the 1972 Town Meeting in appropriating \$1,000 for this project made the commission eligible for \$1750 from the Ford Foundation.

In cooperation with the Central N.H. Regional Planning Commission, work was started in June on the first phase of the proposal -- the preparation of an open space plan for the town. This work was carried out by two third-year graduate students from the Harvard School of Design under the supervision of the Regional Planning Commission and with a division of the cost of the project between the Planning Commission and the Conservation Commission.

These students, who are landscape architects, spent several weeks in the early summer consulting with the Conservation Commission and with members of the Board of Selectmen, Planning Board, Zoning Board, Town Forest Committee, Historical Society and several other townspeople. Some citizens accompanied them on field trips and others helped with photography, historical data and first hand knowledge of the town. The result of this work was the completion of ten large-scale maps which have already proved useful to the town. These maps were on display at an open meeting in July at which a slide show was presented with an accompanying taped report. Several copies of this report, expanded with a wealth of additional data, are now in the possession of the Conservation Commission. The report and the maps as well as the slide and tape show are available to any individual or group who would like to study them. The Commission hopes that everyone in town will become acquainted with this material.

The Conservation Commission is now studying ways to implement the open space plan. This study comprises the second part of the Ford project.

In addition to this major project the Commission presented testimony at a hearing of the N.H. Special Dredge and Fill Board concerning an area of wetland in Dunbarton. We have kept in touch with the N.H. Fish and Game Department on their proposal for the Great Meadows. Mrs. Grant and Mrs. Perron have continued serving on the boards of the N.H. Association of Conservation Commissions and the Piscataquog Watershed Association respectively. Members have attended meetings of the Regional Planning Commission. The Conservation Commission meets regularly on the third Tuesday of the month. The Commission makes periodic inspections of the property under its jurisdiction; the 52.6 acre easement given by Mrs. Mary Story and the 47 acres of town land dedicated to the Commission consisting of lots 235 and 235A in the Great Meadows and lot 361 south of Gorham Pond on the Goffstown line.

Treasurer

HELEN G. AVERY

Superintendent of Schools

ERNEST PELTONEN

Assistant Superintendent

HOWARD I. WAGNER

# RECORD OF THE ANNUAL MEETING OF THE DUNBARTON SCHOOL DISTRICT

March 4, 1972

The meeting was called to order at 8:00 P.M. by Mr. Richard Kohls, moderator. He advised that all motions and amendments must be presented to the moderator in writing, and advised that only members registered to vote were entitled to participate in this meeting. The warrant was then read by Mr. Kohls.

## Article 1

Mr. Harold Mooney moved that the salaries of the School Board and Truant Officer and the compensation of any other officers or agents of the District be accepted as listed in the budget. This motion was seconded by Mrs. Casella. Mr. Willcox Brown then rose and proposed an amendment as follows: moved that article 1 be amended to provide a 20% increase in salary for the officers in question. Seconded by Mrs. Antonia. Amendment passed and motion carried as amended.

## Article 2

Mr. Frost moved that the reports of Agents, Auditors, and Committees, or Officers be accepted as printed in the town report. The motion was seconded by Mr. Mooney and it passed unanimously. Mr. Frost added comments to the Superintendent's report stating that all necessary State requirements regarding the new school have been attended to. Also, the Soule Associates, architects, have inspected the progress of the school in February. There are ten men on the job and the school should now be completed by the middle of June.

## Article 3

Mrs. Casella moved we pass over Article 3. Motion carried.

## Article 4

Mrs. Casella moved that the District vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New

Hampshire and/or the United States. This motion was seconded by Mr. Frost and it passed unanimously.

## Article 5

Mr. Frost moved that the District transfer all its rights, title, and interest in the Dunbarton Center School to the Town of Dunbarton and to authorize the School Board to execute a deed or any other instrument to carry out the foregoing purpose. This motion was seconded by Mr. Mooney and carried.

## Article 6

Mr. Mooney moved that the District authorize the School Board to transfer any unexpended balance in the appropriation of interest payment in the 1971-1972 Dunbarton School District budget to the Dunbarton School Building Fund, and make such monies available to the School Board for the purchase of furniture and equipment for the new Dunbarton Elementary School. Seconded by Mrs. Casella. Some discussion followed. Mr. Montgomery recommended that this money, in the amount of \$6,750, be used to lower taxes. Members of the School Board expressed their opinion and showed the need of it for purchasing equipment and furniture. When the vote was taken, it was passed.

## Article 7

Mr. Frost moved that the District authorize the School Board to transfer \$1,952.48 interest earned and to be earned from the investment of the monies borrowed by the issuing of bonds for a school building as authorized by the March, 1971 School District meeting to the Building Fund and to make such monies available to the School Board for the purchase of equipment and/or furniture for the new Dunbarton Elementary School. It was seconded by Mr. Mooney. It was explained by Mrs. Casella that this money would be used mainly for outside playground equipment. After some discussion a standing vote was taken - 43 voted for the motion and 34 against. The motion was passed.

## Article 8

Mr. Mooney moved that the District raise and appropriate the sum of \$190,186.98 for the support of schools, for the payment of salaries for School District officials and agents, and for the payment of the statutory obligations of the District. It was seconded by Mr. Frost.

Mrs. Dodds proposed the amendment, seconded by Mrs. Antonia that the budget be amended to read \$1,080.00 more so that the services of a teachers' aid or secretary could be added for the purpose of answering the phone, attending to any child in the nurse's room, helping in the library, thus freeing the teachers from these tasks, and enabling them to go forward with teaching. Such a person would be employed within the school for six hours every school day. There was considerable discussion pro and con. The amendment necessitating a standing voice lost. The main motion carried.

## Article 9

Mrs. Casella thanked the Building Fund Committee for the work they had done and will do before entering the new school. It was moved to adjourn until 10 A.M. Tuesday, March 7, for election of school officers.

March 7, 1972

Dunbarton, New Hampshire

The ballots for School District Officers were counted. The results were as follows: Total ballots cast 338 - Blank 9.

SCHOOL BOARD

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Dunbarton:

I herewith submit my eleventh annual report relative to the Dunbarton Elementary School.

## DEDICATION

The year 1972 marked the completion and dedication of the new Dunbarton Elementary School. Harold Mooney, Chairman of the School Board, served as Chairman of the Dedication Exercises on December 3, 1972. Dr. Newell J. Paire, Commissioner of Education for the State of New Hampshire, commended the building committee, school board, the administration, and the community for the planning and construction of a modern and flexible facility to well serve the educational needs of the youth of Dunbarton. The Honorable James C. Cleveland, Congressman, brought the greetings and congratulations of his office and presented a flag which had flown over the nation's capital. Mrs. Irene Thalheimer, of the Building Committee, expressed appreciation "for the enthusiastic work of the committee members: Harold Mooney, Chairman, Mrs. Constance Casella, Sidney Flanders, Charles Frost, Maynard Hill, Harlan Noyes, Mrs. Irene Thalheimer, and Ernest Peltonen, Superintendent of Schools."

Mrs. Florence Landry of the Wellesley (Mass.) School Department, a co-worker with the late Carolyn Tucker Fuller, presented to the school the Carolyn Tucker Memorial Fund and a selected collection of books for the library in memory of Carolyn.

To acknowledge the books provided by the Carolyn Tucker Fuller Memorial Fund, a collection of letters of appreciation written by the students was presented to Mr. and Mrs. Leon Tucker, Carolyn's parents. An appropriately engraved bronze plaque in Carolyn's memory has been placed in the resource center of the school.

## ENROLLMENT

The total enrollment in the Dunbarton Elementary School and as tuition students in Goffstown is 238, distributed by grades as follows: (1971-72 figures are shown for comparison)

Dunbarton	1971-	1972-	Tuition-	1971-	1972-
Elementary	72	73	Goffstown	72	73
Grade 1	20	24	Grade 7	14	18
Grade 2	20	23	Grade 8	13	16
Grade 3	23	20	Grade 9	19	13
Grade 4	19	28	Grade 10	19	22
Grade 5	21	21	Grade 11	8	16
Grade 6	15	28	Grade 12	8	9
TOTAL	118	144	TOTAL	81	94

William Zeller, in September, 1972, assumed the position of teaching principal of the new \$200,000 Dunbarton Elementary School with the following staff: Miss Linda Ashford, Music; Miss Joan Goddard, Grade 4; Mrs. Laverne Mannion, Nurse; Mrs. Brenda Pingree, Grade 3; Mrs. Patricia Prescott, Grade 1; Mrs. Dorrine Silberberg, Grade 2; Douglas Warren, Grade 5; and Mr. Zeller, Grade 6, and Mrs. Mary Hammond, Teacher Aide.

The new school facility has been enthusiastically received by the students, teachers, parents and citizens of Dunbarton. The resource center with its library, the spacious multipurpose room available for school activity and recreation, the large playground area, and the new nurse's and teachers' rooms all provide for accommodating services which extend the educational opportunities provided for the students of Dunbarton.

## THE CHALLENGES AHEAD

The new school is a reality for Dunbarton. The challenges in the immediate future are the full utilization of the facility and the selection, retention and development of a staff which is not only capable but also dedicated to the service of the educational needs of the boys and girls of Dunbarton.

The New Hampshire State Board of Education has developed a program of Minimum Standards to be applied to all public elementary schools in New Hampshire with September 1, 1972 as the effective date for local schools to begin implementation of "Minimum Standards and Recommendations for New Hampshire Elementary Schools for School Approval, K - 8."

The purpose of Minimum Standards is to provide for planning, organization and establishment of a minimum standards program for public elementary education to (1) improve the quality of learning and teaching in New Hampshire, and (2) to see that each child has an equal opportunity for learning.

The goals of the State Board of Education Minimum Standards Project are to require:

1. Public elementary schools to develop a written statement of philosophy.
2. Schools to develop organizational patterns that best meet the needs of all children.
3. Sound administration and supervision in the elementary school.
4. A broad well-balanced elementary school curriculum.
5. Well-qualified and sufficient teaching personnel to meet adequately the needs of all children.
6. Sound in-service education programs for all teachers.
7. Good library facilities and services in all public elementary schools.
8. Good guidance and counseling services in all public elementary schools.
9. Functional modern elementary school facilities.

John J. Economopoulos, Consultant, State Department of Education Elementary School Services, states that elementary school self-evaluation is a design for the improvement of education. It is an opportunity to reveal and identify in a more objective manner the unique strengths and existing weaknesses of the elementary school program. It is a basis for (1) maintaining that which is good, (2) terminating that which is poor, (3) modifying that which can be improved, and (4) adding that which is needed. It is an effort to inform the community, the staff, and the school board about the quality of education being offered and supported in the local elementary schools. Also, it is an opportunity to make a thorough and unhurried analysis of the entire school program.

The local school philosophy should be developed cooperatively with the staff and community. It should have the formal approval and support of the local school board. This philosophy should serve as a guide to those interested in self-evaluation or comprehensive evaluation from an outside source. It should be continually studied, analyzed and improved.

The New Hampshire State Board of Education at its June 16, 1971, meeting approved as official policy the state-wide plan for

staff development as recommended by the Professional Standards Board. Effective July 1, 1975, all Supervisory Unions and/or school districts are to have developed, in accordance with the adopted policy, three-year staff development plans. Supervisory Unions or school districts are expected to submit to the Office of Teacher Education and Professional Standards by July 1, 1973, a report of their progress in the creation of their continuing education programs.

Supervisory Unions or school districts are urged to utilize the resources available to them through the New Hampshire State Department of Education to provide assistance in the formation and ongoing evaluation of local staff development plans.

The Guidelines for Staff Development in New Hampshire as adopted by the State Board of Education assume that the professional development of each educator is a life-long process and is an inherent ingredient of his role as an agent for improving the quality of life in society.

The Staff Development Guidelines are based also on the assumption that continuing education is multifaceted and offers a wide variety of options for professional development. In addition, the policy centers on the notion that the most meaningful in-service education emanates from the needs as perceived and developed by educators, students, and the community in a cooperative, supportive fashion rather than generalized state-wide requirements.

The Staff Development Guidelines are process oriented, and as such, are open to change and modification based upon experience people have in the development and implementation of programs.

In conclusion, the State Board of Education through the Staff Development Program is attempting to provide an atmosphere in which the function of continual professional growth of New Hampshire's educators is given a central role in the improvement of education in the State.

The Dunbarton School District is actively engaged in a program designed to meet the State of New Hampshire Elementary School Standards and in the state directed program of Staff Development.

#### ACKNOWLEDGEMENT

I wish to extend my sincere appreciation for the support and cooperation extended to me by the principals, teachers, pupils,

school board, Harold Mooney, chairman, Constance Casella, Secretary, and Charles Frost, Member, and citizens of Dunbarton as well as the loyal support of the Supervisory Union No. 19 office personnel: Howard Wagner, Assistant Superintendent of Schools; Wayne Evans, Business Administrator; and Mrs. Ruth Henk, Mrs. Harold Smith, Mrs. C.W. Schricker and Mrs. James Austin of the office staff.

As I retire in June, 1973, I will remember forever the courteous, dignified and cooperative manner in which I have consistently been received in Dunbarton, Bow, Goffstown, New Boston and Weare during the last eleven years as your Superintendent of Schools.

Thank you sincerely.

Respectfully submitted,

Ernest Peltonen  
Superintendent of Schools  
N.H. Supervisory Union #19  
Bow, Dunbarton, Goffstown,

# DUNBARTON

## ANNUAL SCHOOL HEALTH REPORT

School physicals were held October, 1971. 44 Children were examined by Dr. Albert Snay, School Physician.

The immunization clinics were sponsored by the Concord Visiting Nurse Association and were held in Dunbarton April 23, May 18, and June 20.

A state dental hygienist spoke to all six grades about dental care.

A dental program was presented to the Dunbarton school children at the New Hampshire Technical Institute. Volunteer drivers provided the transportation; each child's teeth were checked, cleaned and fluoride was applied. 62 children participated in the program.

A menstrual hygiene film and educational program was presented to the fifth and sixth grade girls.

Pre-school registration was held May 9, 1972 at the Dunbarton Town Hall. At that time 14 children were given vision and hearing examinations, height and weight inspections, TB tests and a health history was taken. The health history and school readiness of each child was discussed.

A pre-school vision and hearing screening program was held March 16, 1972 sponsored by the New Hampshire Department of Health and Welfare, under the direction of Mrs. Natalie Smith. Eighteen children were tested. Volunteers were most helpful by giving their time to this program.

Mr. Robert Sarnoff, of the Department of Education, presented an informative program to the sixth graders about the use and abuse of drugs in our society.

I wish to express my thanks to the Superintendent, Parents, Teachers, and the School Board for their cooperation.

Respectfully submitted,

Elizabeth A. Moore, R.N.
